

Map skills practice

Use the map below to answer questions about directions and map scale.

1. What is the distance in miles between Columbus and Cincinnati? \_\_\_\_\_
2. What direction is Lancaster from Lima? \_\_\_\_\_
3. How many miles would you travel to go from Marion to Canton? \_\_\_\_\_
4. What city is west of Cuyahoga Falls? \_\_\_\_\_
5. What is the distance in miles between Portsmouth and Findlay? \_\_\_\_\_
6. What direction is Cleveland from Mansfield? \_\_\_\_\_
7. How many miles would you travel to go from Sandusky to Newark? \_\_\_\_\_
8. What city is Southwest of Steubenville? \_\_\_\_\_
9. What is the distance in miles from Springfield to Akron? \_\_\_\_\_
10. What direction is Bowling Green from Zanesville? \_\_\_\_\_

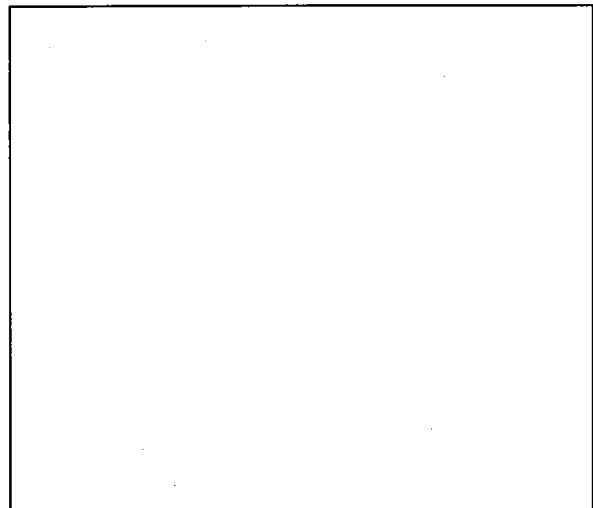

You are to use the box below to create a drawing of your own island nation. Please include a key that contains all of the items listed at the bottom of the page. You are to create the symbols or shading for each and must include them on your imaginary island. Remember that shading is used for large areas and symbols are used for smaller areas.

Include the following on the map and in the key:

11. Compass Rose
12. Forest
13. Mountains
14. Desert
15. Cropland
16. Pasture
17. Wheat
18. Corn
19. Cattle
20. Cities (include 5)
21. Capital
22. - 26. Include 5 types of industry (computers, textiles, etc.)

MAP KEY

4 additional points for being neat, in color, labeled clearly, and creative.
